Proposers who sent a letter of intent by the October 11, 2011 deadline, should call Domenica Perrino at (203) 805-7418 to schedule a visit on the date indicated above for the specific cluster they are interested in visiting. Domenica Perrino will give information regarding time and location to meet to begin each identified tour. Note: these will be the only dates proposers will have to visit the various sites.

Since visits will be completed by November 10th, this amendment to the RFP extends the deadline for site visits beyond the originally posted date of November 2nd to November 10th. The deadline for inquiries to Agency contact is extended to November 15th. The deadline for Anticipated Release of Official answers to questions is extended to November 22nd. Proposals due November 30th as scheduled.

This extension was necessary to allow the time needed to facilitate the visits.
